

Nuclear Magnetic Resonance Facility

Herrick Archives Number 369

A. IDENTIFICATION & LOCATION

1. Name

1.1 Never officially named by Board of Trustees.

1.2 Alternate names noted:

Board of Trustees minutes use the name indicated above.

Campus Planning records refer to this building as "Magnetic Imaging Research Facility" or "Magnetic Resonance Facility."

Architectural drawings use the name "NMR Imaging Research Facility."

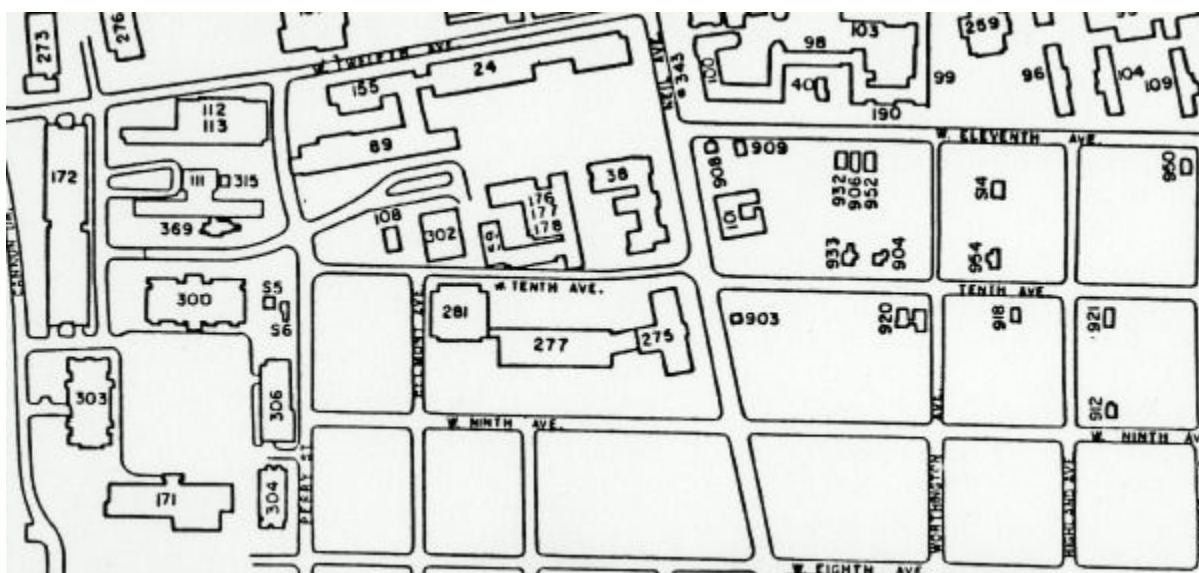

Reports from the University Architect's Office use the name "Magnetic Resonance Facility."

See Addendum No. 1

2. Location

2.1 Located adjacent to south side of Means Hall (Building 111). See map below.

2.2 Assigned address is 1630 Upham Drive. (P)

For identification of other buildings shown, see Appendix A.

3. General Description

3.1 Type of construction:

Wood construction with copper roof. Non-magnetic materials required for proper operation of the device to be housed in the building.

3.2 No. of stories:

One

3.3 Increments of construction:

3.4 Present area of building as shown in inventory records of Division of Campus Planning:

3,562 sq. ft. gross 2,743 sq. ft. net assignable

B. PLANNING & CONSTRUCTION

1. The Board of Trustees on June 9, 1983 authorized the employment of an architect, the solicitation of bids, and the awarding of contracts.
2. No record of Board approval of plans has been noted. The architect was Moody & Associates.
3. On November 11, 1983 the award of contracts to the following contractors was reported to the Board of Trustees:

General: Cody Ziegler, Inc.

Heating, ventilating, & air conditioning: J.A. Guy

Plumbing: H.R. Reeb

Electrical: Electric Power Equipment

4. Construction started in March 1984. (A)
5. This project is now awaiting final checking prior to release for occupancy. (P)

C. COST

The total of the contracts reported to the Board of Trustees on November 4, 1983 was \$400,587.

The total project cost reported to the Board at that time was \$491,000.

Clinical Magnetic Resonance Imaging Facility PH-II

This project provides a facility to house a 1.5 Tesla magnetic resonance instrument. It will be adjacent and connected to the existing MRI facility at Means Hall.

Contracts were awarded as follows:

General: Cody Zeigler, Summit Station, Ohio.

Plumbing: J.A. Croson, Columbus, Ohio.

HVAC: R.M. Giehl, Columbus, Ohio.

Electric: Advantage Electric, Columbus, Ohio.
